**2014/2015 Chairman's Annual Report
AGM (28.09.2015)
Holiday Inn, Abu Dhabi, U.A.E.**

Dear Sir/Madame,

I am really pleased to report that the BCS ME Section's performance during last year was excellent.

During the reporting period, the following activities represent a summary of the key achievements:

1. Successful planning and organizing of the "2015 BCS ME Annual Networking Forum".
2. The Chairman attended the "2015 BCS Spring Convention" in London, UK.
3. Continued members networking meetings.
4. Successful Completion of the annual legal renewal registration of the Section at the Fujairah Free Trade Zone.
5. Increase in professional membership through active promotion and awareness campaigns throughout the ME region in general and UAE in particular.
6. Organized successful technical co-sponsorship through participation in selected conferences/exhibitions/events at Universities and schools including itSMF Gulf institution.

Acknowledgement:

I wish to thank BCS HQ Management for their support, the UAE British Embassy represented by H.E. Philip Parham, HM Ambassador to UAE, Committee's Members for their professional contributions, Strategic Sponsors for their Partnership and last but not least our professional members and volunteers.
